## Multipurpose trolleys

08/16®-Standard

## type list

valid up from 1 July 2007

## HAEBERLE multipurpose trolley 08/16®

**More than average. The new standard concerning form, function and price.**

### The advantages of the system:

#### ► Multifunctionality

The system offers all types of trolleys. Simple basic trolleys or fully equipped function trolleys. Small shelf trolleys for narrow rooms, drawers and a wide range of accessories.

#### ► Modularity

You design your own trolley according to your individual needs.

#### ► Hygiene

Mostly closed, easy to clean surfaces

#### ► Material

High quality shelves with melamin resin coating on all sides, non-fade, resistant against common disinfectants, white.

Very sturdy square tubular steel frame white varnished

Shelves and drawers in high quality, design handles and special light telescopic guide rollers with click-in-mechanism.

#### ► Colours

Shelves and drawers in white. With white drawer handles.

Other beautiful colours for handles you can find on page 7.

Special editions with blue or black colour accents are offered.

#### ► Assembly

**The basic trolleys are delivered flat packed.**

#### ► Dimensions

The available sizes are indicated.

Widths: 340/490/600 or 900 mm

Depths: 260 or 450 mm

Heights: 530/730/830 mm.

#### ► Loading capacity

Total: approx. up to 50 kg

Shelves: approx. up to 20 kg

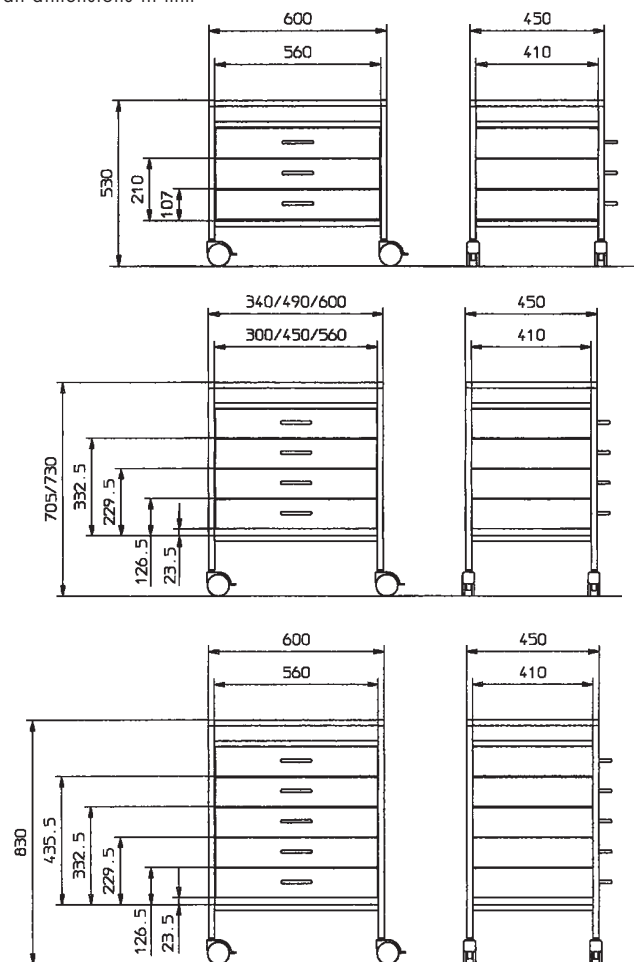

Drawers: approx. up to 10 kg

#### ► Special wishes?

**We produce all types of special trolleys according to your needs. Just call us and let us design your own model.**
